PISA Products

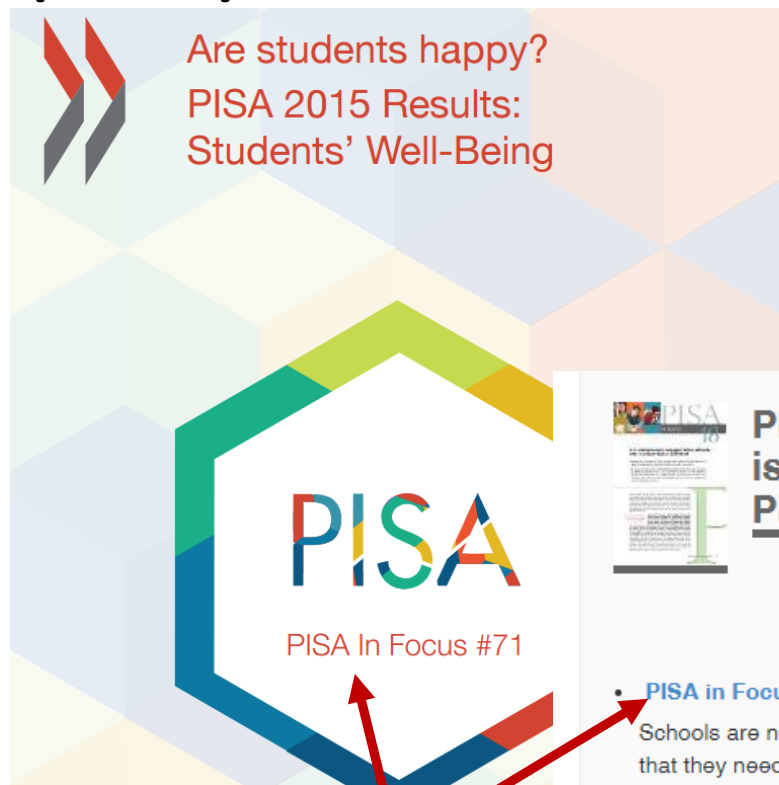

Results

- **Key findings:** PISA key findings include rankings of student performance by country/economy and information on student background, their approaches to learning and the organisation of their schools.
- **Databases** for each year the students took the test
[2015](#), [2012](#), [2009](#), [2006](#), [2003](#), [2000](#)
- **Briefs: Pisa in Focus:** A series of concise 4-page monthly education policy-oriented briefs designed to describe a PISA topic.
- **'Strong Performers and Successful Reformers':** Country-specific policy advice to countries who have requested it.
- **Video series: Strong Performers and Successful Reformers in Education:** Produced jointly by the OECD and the Pearson Foundation, this series of videos highlights initiatives taken by education authorities around the world to help school students do better.
- **Research papers**

Methodology and manuals

- **Test questions:** examples of questions administered to the 15-year-old students who participated in PISA
- **Assessment frameworks:** Theory behind the surveys - what they aim to achieve and how they're developed:
[2018](#), [2015](#), [2012](#), [2009](#), [2006](#), [2003](#), [2000](#)
- **Technical reports:** Detailed description of the implementation of the surveys:
[2012](#), [2009](#), [2006](#), [2003](#), [2000](#)
- **Manuals - survey implementation:**
[PISA 2015 manuals](#)
[PISA 2012 translation manuals and guidelines](#)

PISA in Focus is a series of concise monthly education policy-oriented notes designed to describe a PISA topic.

Publications

Featured – PISA 2015 Results

Volume I: Excellence and Equity in Education

This volume summarises student performance in science, reading and mathematics and defines and measures equity in education.

Volume II: Policies and Practices for Successful Schools

This volume examines how student performance is associated with various characteristics of individual schools and school systems, including the resources allocated to education, the learning environment and how school systems select students for different schools, programmes and classes.

PISA in Focus

PISA in Focus is a monthly series of four-page, policy-oriented briefs describing a PISA topic.
